Branding

So a Finn, a Swede, a Norwegian and an Icelandic went into a sauna... Well the Finn quit last, because she likes her sauna while the others continued on with the Drupal sprint.

*Nordic means community spirit,
honesty, inclusion, friendliness and
functional simplicity.*

Interactive

DrupalCamp Nordics will be organized for the first time in XY of 2017. We welcome not only everyone from the Nordic countries, but from all around the world!
